Individual Premium Rate - Asia

E&OE

International Healthcare Plans for Asia Premium Rates US\$.

The US\$ premium rates shown below are per person per annum.

How to calculate your premium:

1. Choose the area of cover you require for each person and then read across the relevant premium table for the premium applicable for each person to be covered.
2. Apply any additional % loading for the payment method and frequency you require (for details, please refer to section below on "payment options and additional charges").
3. Please note that Insurance Premium Tax and other Government Levies are not included within these rates as they vary depending on country. Where such taxes or levies apply, they will be detailed on your invoice/payment details.

Premium rates US\$ for worldwide cover excluding USA and Canada.
